

## DESOTEC – Field Service Technician - Darlington, PA

### **Desotec is now hiring a Field Technician in the Pittsburgh Area (Darlington, PA)**

#### **Job functions:**

- Execute carbon exchanges at customer sites with slurry tankers. While at the customer site, you will operate the tanker, air compressor, customer equipment, and various forms of man lifts if needed
- Transport the Hurricane vacuum unit to and from customers' sites with a truck. While at the customer's site, you will be responsible for using the Hurricane to remove the spent carbon from the customer's vessel. Once the vessel is empty, you will use a forklift to fill it with bulk bags of fresh carbon. Loading and unloading techniques may vary
- Operate specially designed mobile filter hydraulic trailer at customer's sites to exchange spent filters with fresh ones
- Assist with loading and unloading filters and tankers at the Darlington Hub

#### **Core Responsibilities:**

- Create and sustain a safe working environment and culture within the company
- Communicate well with customers
- Must be able to work well in a team environment
- Ensure company property is well-maintained
- Desire to learn

#### **Skill Requirements:**

- Class A CDL license and experience
- Perform physical functions per job requirements
- Solution-oriented mindset
- Proficient with mechanical tools and equipment

#### **Beneficial Qualities:**

- 2 years Field Service experience
- Hazardous Materials Endorsement
- Dry bulk experience
- HAZWOPER 40
- Industrial Vacuum Experience

#### **Overnight Travel Benefits:**

When overnight travel is required, drivers will have the option of **company-paid hotel accommodations in lieu of sleeper cab use**, along with an **\$85 daily meal allowance** for overnight stays.

- Average overnight travel will be 2-4 nights a week

### **What's in it for you as a Field Technician at DESOTEC?**

- The chance to make your mark within a dynamic, fast-growing and results-oriented company that makes a difference for the environment and climate
- An environment that values you for your work and as a person
- Personal and professional growth through training
- **3 weeks of paid vacation**
- Health Insurance / Dental / Vision
- **Health Savings Account**
- Dollar-for-Dollar 401k match up to 4% of annual salary
- Paid Holidays
- Paid parental leave
- Flexible Spending Account Options

### **To protect the planet – that's our mission at DESOTEC.**

Desotec's **sustainable mobile filtration solutions** based on activated carbon are deployed for the treatment of Air Emissions, Wastewater, Remediation, Chemicals and Biogas. Through a **rental model**, our filters are distributed to production companies globally. Once the filter is saturated, it is replaced, and the spent carbon sent for **recycling & re-use**. That is how we **unburden our customers** of the administrative, moral, logistical and ecological consequences of their purification needs. The result: they can focus 100% on what really counts - sustainable production.

“If you can't tick off all the boxes, but you do recognize yourself in our three core values *Teamwork, Excellence* and *Devotion*, then we definitely invite you to take a chance and apply!”
