## DESOTEC – Lab technician (Tuesday-Saturday)

### Lab Technician (Tuesday-Saturday)

As a Lab Technician at DESOTEC, you are an essential part of our team. You step in where needed, switch easily between tasks, and bring positive energy to the team every day. No two days are the same – and that's exactly what you love! Is teamwork in your nature? Do you thrive on variety, team spirit, and an environment where things really happen? Then you might just be our new lab technician.

#### Who is DESOTEC?

DESOTEC is an international environmental services company that helps protect the planet with **sustainable mobile filtration solutions** for the purification of liquids and gases.

We have **approximately 450 employees, united in Generation D.**, who are all committed to helping protect the planet by driving positive ecological change across all industries.

Private equity funds managed by **Blackstone** acquired DESOTEC in 2021.

#### What do you do as a Lab Technician at DESOTEC?

- You perform quality controls on virgin activated carbon, regenerated carbon, and gypsum.
- You also carry out acceptance analyses on spent activated carbon.
- You use high-quality equipment, including XRF and ICP, for your analyses.
- You analyze water samples from our own water treatment installation and production departments.
- You ensure accurate analysis and interpretation of the results.
- You enter results into our ERP system (currently Navision, later Microsoft Dynamics 365).
- You work closely with your colleagues to complete the analyses successfully and regularly communicate with colleagues from other departments within DESOTEC.
- You provide general support to the lab team and step in when needed.
- You work from Tuesday till Saturday. No Monday blues for you!

#### What does your team look like as Lab Technician at DESOTEC?

Our lab team consists of 12 motivated and enthusiastic individuals who give their best every day under the leadership of our equally driven and enthusiastic Lab Manager, Lieselot. Are you also an enthusiastic person with the drive and motivation to give your all every day together with the team? Then you will for sure feel right at home with us.

Every first Thursday of the month, we have a fries lunch. Everyone gladly pulls up a chair for you at the table, and we promise: those extra pounds will melt away thanks to our daily lunch walks, filled with great conversations! Does this sound like music to your ears? Keep reading!

## Who are you as Lab Technician?

- You have a bachelor's degree in a chemical or scientific field.
- Work experience is not required, but having experience is a plus.
- You easily switch between tasks and enjoy the dynamic nature of variety.
- You are fluent in both English and Dutch (both spoken and written).
- You are well-organized and can easily change priorities.
- You are a true team player, always ready to assist colleagues, but can also work independently.
- You work thoroughly, accurately, and with a keen eye for order and cleanliness.
- You respect safety instructions.
- You love fries.

If you can't tick off all the boxes, but you do recognize yourself in our three core values *Teamwork*, *Excellence* and *Devotion*, then we definitely invite you to take a chance and apply!

## What's in it for you?

It goes without saying that you get a lot in return in exchange for your unbridled dedication and enthusiasm:

- You will join an international, fast-growing, innovative, and sustainable company.
- Enjoy a dynamic and team-oriented work environment where you can fully be yourself.
