Process Operator in two shifts

Who is DESOTEC?

DESOTEC is an international environmental services company that helps protect the planet with **sustainable mobile filtration solutions** for the purification of liquids and gases.

We have **approximately 450 employees, united in Generation D.**, who are all committed to helping protect the planet by driving positive ecological change across all industries.

Private equity funds managed by **Blackstone** acquired DESOTEC in 2021.

What do you do as process operator at DESOTEC?

As a Process Operator, you are responsible for the operation, maintenance, and optimization of advanced technical installations. This is a challenging role that requires strong technical insight and precision.

- You are responsible for the optimal production of high-quality reactivated carbon. Through your correct adjustment of the process parameters, you will achieve optimal production output.
- **Operational responsibility:** You are in charge of starting up, operating, monitoring, and shutting down various technical installations.
- **Problem-solving:** You analyze technical malfunctions and carry out the necessary repairs or adjustments to ensure production runs as efficiently as possible.
- **Optimization processes:** You actively contribute ideas for improvements to current processes and propose adjustments to increase efficiency and sustainability.
- You perform tasks using a forklift.

What does your team look like as a process operator?

As a process operator, you will join a team of fantastic colleagues in Rumbeke. This team consists of technical operators, forklift drivers, and a team lead.

Who are you as a process operator?

- We are looking for a new colleague with a solid **technical background** (mechanics, electricity, etc.) and a passion for technology and innovation.
- You speak **English and/or Dutch** fluently.
- You have a **forklift certification**.
- **Analytical and problem-solving skills:** You possess strong analytical abilities and can quickly detect and solve technical problems.
- **Hands-on mentality:** You enjoy taking on tasks and aren't afraid to get your hands dirty.
- **Team player:** You can work well in a team environment, but you're also capable of working independently.

- **Flexibility:** Willingness to work in a shift system.
- **Safety-conscious:** You always work with a focus on safety and strictly follow procedures

If you can't tick off all the boxes, but you do recognize yourself in our three core values *Teamwork, Excellence* and *Devotion*, then we definitely invite you to take a chance and apply!

What's in it for you?

It goes without saying that you get a lot in return in exchange for your unbridled dedication and enthusiasm:

- **A competitive salary** – We guarantee you a competitive base salary.
- **Fringe benefits** – To optimize your salary package, you can count on meal vouchers, group insurance (AG Insurance) and the option for bicycle leasing after one year of service.
- **Discounts through partnerships** –As part of the Blackstone group, all internal DESOTEC employees also enjoy discounts on BRE-Hotels (a collection of Blackstone-owned hotels and resorts). Through Benefits at Work, you get discounts at Center Parcs, Zalando, bol.com, Kröfel, Decathlon, and many more.
- **Time off to schedule freely** – At DESOTEC there is no collective closure. You enjoy 20 paid vacation days and have the freedom to take 10 unpaid vacation days on top of that. This way you can increase your number of vacation days to 30 days!
- **Personal & professional growth** – You will have every opportunity to immerse yourself in your new role, but also to grow personally and professionally through an extensive range of training courses.
- **Fun and relaxation** – You will regularly be invited to one of the many afterworks and other fun activities. Each team also gets a team building budget – it's up to you how you spend it!

Our purpose and mission?
